MINDING YOUR MiND

A Celebration of Life: Philadelphia

An Evening of Hope & Remembrance

2025 Sponsor Information

Thursday
October 23, 2025
8:00pm

The Loft at City Winery
990 Filbert Street
Philadelphia

Raising Awareness Through Philanthropy

A Celebration of Life is a movement focused on inspiring hope and at the same time remembering lives that have been lost to suicide. The evening creates special moments and appreciation for life while raising funds to support Minding Your Mind's mental health education programs. **A sponsor of this hallmark event will make an immediate impact in the lives of students and communities in the greater Philadelphia region.**

Since its inception in 2016, and even with a two-year pause during the pandemic, **A Celebration of Life: Philadelphia** has raised over $600,000 for mental health and suicide prevention education, providing 1,300+ programs for tens of thousands of young people.

Join us for A Celebration of Life: Philadelphia and enjoy an evening of music, hors d'oeuvres, cocktails and the ability to learn more about Minding Your Mind.

About Minding Your Mind

Established in 2007, Minding Your Mind is a nonprofit organization that provides in-school and community-wide mental health education programs for students from kindergarten through college, and the adults in their lives. **Minding Your Mind's mission is to end the stigma and destructive behaviors often associated with mental health challenges.** This is accomplished through mental health education and suicide prevention programs presented in schools, communities, and workplaces across the U.S.

The struggles young people are experiencing with their mental health are revealed more and more every day. Learning lapses, increases in hospital visits, and rising incidence of anxiety, depression, self-harm, and suicide ideation led the former U.S. Surgeon General to call **youth mental health "the defining public health issue of our time."** During the 2024-2025 school year, Minding Your Mind programs reached more than 221,000 individuals, and a significant number of these presentations were with new school partners. Requests this year continue to rise. **Your sponsorship will help Minding Your Mind meet the ongoing needs of students K-college, and help change the lives of thousands of young people.**
